

Welcome to Rauma!

PARKING IN THE CITY OF RAUMA

The city of Rauma offers convenient parking around the city free of charge. However, it is important to bear in mind a few simple parking rules.

When parking on the street, you have to park in the direction of the flow of traffic; do not park against it. Parking in parks, on lawns and in forests is forbidden. When parking on private yards, a written permission from the property owner or manager is usually needed.

In most parking spaces in the city centre, you have to use a parking disc.

How to use a parking disc?

Set the parking disc to the time of arrival, either to the next full hour or half hour depending on which comes first.

For example:	Time of arrival		Parking disc
	10:40	>	11:00
	11:10	>	11:30

Time limit on parking and requirement to use a parking disc:

The whole area of Old Rauma is "No-parking" zone; this means that parking in Old Rauma is allowed only in marked parking spaces.
